BULLDOG

JAMES KEOGH

The Annual Staff of 1968 wishes to dedicate this Bulldog Yearbook to Mr. James Keogh, a native of Humphrey and a 1932 graduate of Humphrey Public School.

James Keogh was born on a Platte County farm on October 29, 1916. He first attended a one-room school in District 42 southwest of Cornlea. Later he attended Humphrey Public School where he began his career by editing the school paper in his senior year. In July of 1938 he started writing for the OMAHA WORLD HERALD, where he was named city editor in 1948. He became connected with Time Magazine as a part-time correspondent from 1944 to 1951. In 1951 he joined the staff as a writer in the national affairs department and later edited most of the magazine's departments. He was appointed Senior Editor in 1956 and Assistant Managing Editor in April of 1961. On May 13, 1968, he was appointed Executive Editor of the magazine and now holds a title which has not appeared on the magazine's masthead for several years.

We believe that Mr. Keogh represents a source of inspiration for all small-town boys and girls to apply their talents in the proper channels and then work diligently so that they, too, may one day achieve the type of success that he so clearly illustrates. Mr. Keogh has our congratulations and sincere wishes for continued success in his chosen field.

RICH MOLCZYK

RICHARD MOLCZYK

The picture at the left shows Rich Molczyk, a 1967 Graduate of Humphrey High School, breaking the tape and setting a new Class D State Record of one minute and fifty-eight seconds flat in the 880 yard run. Rich's record withstood challenges this year without being seriously threatened. Rich is being honored on these pages by the Annual Staff for the recognition that he brought Humphrey High School during his high school track career and in recognition of the sacrifices and hard work he experienced.

THE FOLLOWING ARE RECORDS ESTABLISHED BY RICH DURING HIS HIGH SCHOOL CAREER

MIDLAND RELAYS CLASS IV	880 yard run	2:00.6
NEWMAN GROVE INVITATIONAL	880 yard run	1:59.8
MID-STATE CONFERENCE	880 yard run	1:58.0
THUNDERBIRD CONFERENCE	880 yard run	2:04.4
THUNDERBIRD CONFERENCE	440 yard dash	53.1
THUNDERBIRD CONFERENCE	220 yard dash	23.3
DISTRICT 3 CLASS D	880 yard run	2:02.9
STATE CLASS D CHAMPION AND RECORD HOLDER	880 yard run	1:58.0

These records have withstood challenges during the past season and they are all still existing. The records that Rich established in the Thunderbird Conference will stand for all time since the conference was disbanded following the 1968 track season. Many of his other records will certainly remain as goals for future athletes of the area and the entire state. We are sure that Rich realizes that, "Records are made to be broken." In fact, Rich is presently trying to establish more records at Kearney State College where he is running the mile, two-mile, and is a member of their two-mile relay team. The Annual Staff wishes Rich the best of luck in his future--on the track and in the runway of life.

HUMPHREY HIGH THANKS YOU FOR YOUR EFFORTS AND ACCOMPLISHMENTS!
