THOSE WERE THE DAYS MY FRIEND ...

Studying for tomorrow's semester test, spending your recess trying to get the ball, for once, the big pep rallies before the games, having fun with your classmates, waiting for class to end, finding a teacher who is not ready for class, getting the last minute instructions before the game starts. . .

All of these are memories of the days we will never forget, those days of school. Sure, we had homework to do, and classes to attend, but we also had fun times. We made impressions on people that would be hard to forget. We learned about love, life, and hate. And we grew up into adults.

Although we all go our own ways, after we graduate, we will reflect, and say, those were the days.

WE THOUGHT THEY'D NEVER END . . .

The last minutes before the game started, the delicious lunches we had, being dressed up for spirit week, waiting for the weekend to come, finally meeting the last annual deadline, Greg and Dean's pranks, getting the Homecoming float done, being caught in the act, and having fun with dear friends. . .

We thought these days would never end. They seemed so vivid in our minds. And we took for granted they would always be there. We never wanted to let those days go. Because, for us they hold times of joy, pain, sadness, and happiness.

But sooner or later we must leave it all behind. We must all go our own way, and find our place in life. Although it is a sad time when you must leave all that is dear to you behind, you will always have the chance to go back and remember the days you thought would never end.

WE'D SING AND DANCE —

Singing in the Christmas program, or any program at all, dancing with friends, putting forth all your feelings in a song, or just singing to have fun, Music played an important part of our lives. We all had our hit songs we liked, our polkas to dance to, or our songs to sing. Music put a little life in our school work, and made it a little easier to get that term paper done, or to read that book. Our music will be our trademark in years to come. Some may make music part of their careers or others may just enjoy to listen to it. But the songs of our High School times will bring back many fond memories, when we hear them in the future.

FOREVER AND A DAY;

Forever and a day! What words! They explain how we all felt. When we all were in Grade School or Junior High, in High School or finally a Senior, we thought nothing would finally end and be over. For Example, long bus rides, study hall, that solo, and many other things. We always thought everything lasted and lasted. We wanted so much for it to be over. But when it was all over we could not bring it back. The memories were good or bad, but they are all we have left once that forever and a day event was over. Nothing will last forever but our memories. So look back and remember what seemed to last forever and a day.

WE'D LIVE THE LIFE WE'D CHOOSE,

Taking what we wanted to for mini courses, being silly or serious, to dress the way we wanted, to study or not, to pitch in or let others do the work, we all lived how we chose. If we wanted to be different, or to join the crowd, that was our right. And how we chose to live our lives through High School will affect our lives afterwards. Whether we become doctors or farmers, go on to college or just get a job, is all part of the life we lived in school, the dreams we made for ourselves. No matter where we go, our lives from school will follow us as memories and be part of what we are.

WE'D FIGHT AND NEVER LOSE . . .

A touchdown in the final seconds, which won the Homecoming game, a basketball win over a rival, getting the Holiday Tournament trophy, being a track star, fighting your hardest in sports, class or anything. In High School we found many things we had to fight at, compete at. Everything we did, we were judged on and compared.

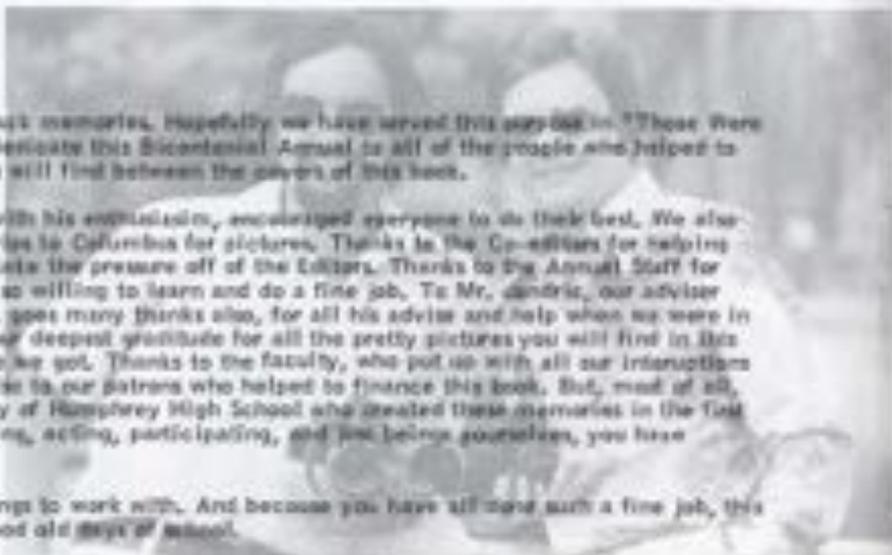

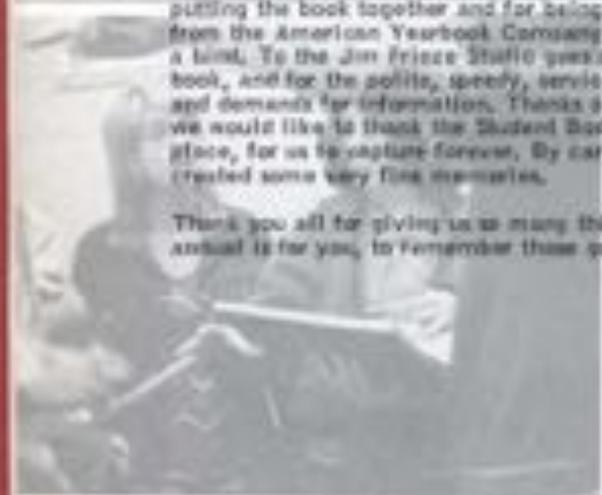

As long as we put out our full effort and hold nothing back, we were winners. Although the score or placing didn't put us first, we knew we tried with all our might and that made us number one. As we all look back, we will find 1975-1976 was a winning year for everyone at H.H.S. Whether it was at sports, academics, or anything else, H.H.S. showed they could win. It came because everyone cared and tried their hardest. We will be able to look back in the years to come and be proud of our years at H.H.S. and say "Those Were The Days"

A Yearbook's main purpose is to bring back memories. Hopefully we have served this purpose in "Those Were the Days". This year we would like to dedicate this Bicentennial Annual to all of the people who helped to create all the memories and history you will find between the covers of this book.

Thanks goes out to Mr. Schuder, who, with his enthusiasm, encouraged everyone to do their best. We also would like to thank him for the many trips to Columbus for pictures. Thanks to the Co-editors for helping to take some of the responsibility, and take the pressure off of the Editors. Thanks to the Annual Staff for putting the book together and for being so willing to learn and do a fine job. To Mr. Jandric, our adviser from the American Yearbook Company, goes many thanks also, for all his advice and help when we were in a bind. To the Jim Frieze Studio goes our deepest gratitude for all the pretty pictures you will find in this book, and for the polite, speedy, service we got. Thanks to the faculty, who put up with all our interruptions and demands for information. Thanks also to our patrons who helped to finance this book. But, most of all, we would like to thank the Student Body of Hampshire High School who created these memories in the first place, for us to capture forever. By caring, acting, participating, and just being yourselves, you have created some very fine memories.

Thank you all for giving us so many things to work with. And because you have all done such a fine job, this annual is for you, to remember those good old days of school.

In the great school year of 1975-1976 there were nine cheerleaders, one mascot, eight letter girls, and about seventeen pep club members who helped bring Humphrey High's SPIRIT to the highest point ever. With the help of stunts, pom-pom routines and a blanket toss, the girls saw alot of excitement through out the year.

The pep club as a whole took care of many things during Nineteen-Seventy-Six. They sponsored Homecoming, Hearts, and Awards Banquet. Their money making projects were making up the new calendar, and selling miscellaneous objects from kits. The most difficult thing of all for the members of Pep Club, was to make it to all the football and basketball games, plus not to yell at the referees. Sponsors were Miss Leatherwood and Mrs. Moss.

H-CLUB 75-76

The H-club that year did something that all guys out for sport enjoyed, but then again something that those who lettered didn't like. What they liked was going out to eat and having the NYC rented out for the day and doing what ever sport they liked best. What they did not like as well would have been the initiations part which could have made any one sick.

The 1975-1976 FFA activities started with the officers attending Leadership Camp at Aurora. After returning home and to school, the FFA members participated in numerous FFA and community activities. They sponsored a mini tractor pull and restored a bandstand for concerts in the park. Many members attended livestock, meat, dairy, and land judging contests. Some members also attended creed, public, and extemporaneous speaking competitions. The chapter also sold fruit to raise money for the chapter. As the final outing of the year, five members attended the State FFA Convention in Lincoln. While they were there, they participated in contests, meetings, and State Officer elections. Overall, the chapter accomplished many things throughout the year.

NEWSPAPER STAFF

1975-1976 was the second year for BULLDOG BUSINESS. There were many improvements and many additions. In the middle of the school year, we were greatly affected by the presence of a new member Mr. Dean Korus, who added many new laughs to the paper. We wish to thank all who contributed to making our newspaper a success.

SHOP AND ART 1976

Again in 1976, as well as in years past, the shop and art classes, under the direction of Mr. Charles Farber, have accomplished many fine projects. The shop students made footballs, candlestick holders, leather goods, cabinets, garages, stereos, bars, tables, etc.

The art students worked with pencil, ink, tempera, clay, wood, and many other materials. Humphrey also hosted the first annual Sandhill Gateway Conference Art Show, in which they won the first place trophy.

Overall the students turned out many fine pieces of art work.

FIRST GRADE

One of the most prized possessions that we have in first grade is a bath tub. Class members use the tub for a variety of purposes. Several students will sit in it together and practice reading to each other. It also serves as a podium for certain types of class recitation. The students are proceeding nicely with their reading and mathematical skills. The headphones and tape recorder skills allows to sit on throw rugs and do our work in comfort. We are looking forward to spring so we can do science experiments outside.

I do wish to thank everyone of the first graders for their inspiration and help in the writing of my booklet: Teacher's Portfolio of Learning Games and Classroom Activities.

BACK ROW LEFT TO RIGHT: Beverly Schmalzer, Karina C., Shari E., Lisa G., Jennifer, Rodney Ketchum, L. Jeffrey, J. O'Leary, W. K. Lim, C. Keri, Dora, Jack, J. David, Fred, T. Lynn, C. Karimo, FRONT ROW: Dawn, J. K., Jackie S., T. G., Stephanie D.

SECOND GRADE

Our school days have been very busy as we concentrate on the 3 R's. We have, however, tried our luck with growing plants and making a rock garden. Our rock garden, terrarium, and other plants are doing great, but please don't ask us about the marigolds!! The boys and girls really enjoyed participating in the Christmas program. The girls were angels, and the boys were cowboys. In Sept. Rodney Ketchum joined our grade. In January Beth Lloyd let to live in Iowa.

THIRD GRADE

The third grade had a very successful year.

Mrs. Jerry Gronenthal and Mrs. Don Zavodil are the room mothers.

FOURTH GRADE

The fourth grade has had many interesting experiences this year. Before Christmas they had a play entitled "The Runaway Presents". Each one of them had a part and they put it on for the elementary grades and their parents. After Christmas they concentrated on the study of Nebraska in social studies. They took a field trip to Omaha to tour Boystown and ate lunch at MacDonald's. They learned about Father Flanagan and his home for boys. In the spring they got involved with the campaigning for president.

GRADE SCHOOL ART — Mrs. Schuster

GRADE SCHOOL ART — Mrs. Wright

The Elementary Art classes were designed to give each child experience in various media, including paper, paints, clay, stitchery, crayon, pastels, tissue, and fabric, and to encourage creativity in projects using these materials. The addition of art classes to the Elementary Curriculum provided a source of enrichment and awareness of expression for the children of Hurstsey Public School.

Children who came to Speech Therapy worked to correct sounds that are incorrect in their speech. Some children did not speak clearly, slurring the sounds together. They looked at pictures and books and practiced saying the sounds correctly in words, sentences, and then during conversation. The correct sounds were then practiced in the classroom and at home. Everyone worked hard, but they also had fun practicing good speech.

In its second year, the remedial reading program is designed to help students who have trouble reading. They worked long hours on phonics and sounding and blending words. Also they worked on increasing their sight word vocabulary. They talked about the stories they read. They also used aids to help make learning a fun time.

Being in Seventh Grade sure was different for the Class of '81. They had to become used to the new class schedules and of course, new teachers. They finally got to meet all of the older kids they had looked up to in Grade School. Although they never tried to raise any money, they learned how to build a float. Overall the year was a learning year. Hopefully they all learned and grew up a little bit more.

The 1975-1976 year was one of success for the eighth grade. Besides being the head of Junior High, they also placed 2nd in float competition for Homecoming. They portrayed a graveyard with a gravestone for each of Humphrey High's victims on the football field. A new grave was just dug waiting for the Lindsay Bulldogs, who H.H.S. played for homecoming.

Also they could not wait for the next year to come when they could share in all the privileges of being in High School, but Junior High also had it's fun as they all learned.

JR. HIGH MUSIC

This year the Junior High Music Students, attended the Junior High Choral Clinic at Tilden. They also participated in the Spring music program at the school.

The 7th and 8th grade gave a good effort in 1976. The eighth grade team managed to win one out of nine games. The seventh grade did a little better with a record of two and four. They participated in two tournaments. They lost in the first round of the Sandhill Gateway tournament. They also took second place in the N-Club Invitational.

As the freshmen began the year they made plans for a super year. They started off with a Homecoming Theme of "How am' under Bulldogs" as the year continued they discovered they had alot of talent. Some they found in the form of Kathy N. and Sue H. who were the reserve cheerleaders for the Bulldogs. Some others were found in the cross country team which contained 3 super freshman named Tim K., Richard (Wayne) L. and Andy P. There were also some freshmen on the volleyball and football teams aside from the fine scholastic talents.

Wow our Sophomore year, weren't those the good old days? We raised lots of dough at our two bake sales and the profit was nice and sweet from our two candy projects. Happiness was experienced by all when we took the First place honor for the fourth year in a row in homecoming floats. And success came around again during basketball, where we got first in Spirit Week. A surprise trip to Lincoln to see Robb, movies, cleaning houses and Mr. Moss's party were among other good times we all had. The memories of Homecoming where Corrie & Terry got attendants and Hearts where Barb & Jerry did, will never be forgotten in the minds of many. Football, Basketball and Volleyball, wouldn't have been the same with out the Sophies. No matter what the odds were they always tried their darn best. Dave, Barb, Sheri, and Pam all broke school track records helping in make the track season a success. Keep it up guys. The good times and the bad were shared by all. And as the years roll on there will always be memories of how we spent our Fantastic Sophomore Year!!!!!!

Jolly Juniors Exploded, with all the regrets of their life's, they had found a very satisfying feeling, because not only were they the "Great Juniors," they took third place honors for the most exciting float, JAWS, which consisted of their Giganlio shark, marching on a Lindsay Bulldog.

They also had great success in selling magazines, in which they succeeded in selling over \$2,000 worth of magazines. They took second place honors in Spirit Week with their husky Bulldog filling the wall.

Their Junior-Senior Prom was held May 8, 1976 in which they gave the 1976 Seniors a night to remember.

All throughout their last year, the Seniors were together having good times as well as learning. They were granted Senior Passes, which allowed them free campus, when they had a study hall. This free time allowed them to get together and have fun, all within the limits. They had a Chili Feed in January to help finance the big sneak trip coming up and graduation. They raised over \$200. Then came plans for their sneak trip. After many set backs, they finally got the O.K. to go out of state to Kansas City to Worlds of Fun. There they rode many exciting rides and attended a super concert by Eric Carmen. It was a great trip that will be remembered by all, along with their whole Senior year.

Guess what? We are going to Kansas City!

CLASS WILLS

- I, Vickie Baumgart, will all my claspitck and tip dlick to Debbie Rosenthal who seems to use it like it's going out of style, and my ability to yell at games, to the Freshman girls, who seem to use their mouths for squealing instead.
- I, Mickey Bender, will Nancy Krecha, something to play with, a plastic golf club.
- I, Greg Brandt, will my ability to run, to Randy Bender, the rare talent and ability to clean the plate, to Sherri Baumgart and Sherie Orth and I will the ability to run to school to anyone without a car, truck, plane, tank, jet, ship, skateboard, bike, red wagon, or train.
- I, Peggy Hammar, will to Bonnie Sjota and Deb Rosenthal, my ability to get a warning instead of a ticket next time they get stopped.
- I, Nancy Kurth, will my body to science so Mr. Mungler's Biology class will be full next year.
- I, Dean Karon, will to Bob Shemek, all my holy wine, only to be drunk on Sunday, and to Bobbie Kurth, I leave all my priestly powers at Humphrey High.
- I, Barb Krings, will the Freshman girls, the ability to continue yelling at a basketball game, after you become hoarse, and first out only five minutes of the game has gone by.
- I, Randy Melcher, will to Matt Brandt, my ability to play grab. Matt you know what I am talking about, and I will to Debbie Rosenthal, the license to fly the bird everytime she sees me.
- I, Charles Mauer, will my ability to insult Paul Maubach better than anyone else, to anyone else who wants to insult Paul Maubach.
- I, Carol Orth, will to the Freshman, gods mercy, to the Sophomores, a downfall of two, to the Juniors, the remaining points on our Senior Passes, to the Faculty, the sense to realize they need a new job, and to the Seniors, nothing, for they have everything already.
- I, Lola Olson, will to Bonnie Sjota, my Monday morning driving ability, and to Deb Rosenthal, my ability to run to BCA during back practice.
- I, Larry Prehler, will Matt Brandt, all my doughnuts.
- I, Bernice Schmitt, being of sound mind and body, to here by will, to John Lloyd, my devinous ability to go my whole high school life with only one arrest and conviction of maliciously burning up the streets of Humphrey. Furthermore, I will to my wive of a '67 Pontiac, a pair of chrome painted wheels with bald tires.
- I, Grace Schutt, will my seat belt, to Bernice Hammar, so she remains seated in my car at all times, and my underwear, orange jogs, and Mom, to whoever can put them up the flagpole.
- I, John Teras, will to next years seniors, none of this years senior priviledges, but to have all these great times in study hall, and to the Freshman class, I will all my bills.

STAIRWAY

Sue Hemmer, Randy Bender

In the early part of October came the day the new King and Queen of H.H.S. were to be crowned. The day started out as usual; but the noon bell sent thrills thru all.

All classes split to again appear at different homes to put together their Homecoming Floats. Some of the girls stayed behind to decorated the cafeteria to the theme of "Stairway to Heaven".

As the night wore on the floats were judged. First place went to the Sophomores, 2nd place went to the 8th grade, and the 3rd place went to the Juniors. After our great win against Lindsay Holy Family, we all gathered in the beautiful decorated cafeteria to await the great moment.

The attendance were then announced. They were for the Freshman Sue Hemmer and Randy Bender, and for the Sophomores it was Connie Jross and Terry Sjut. For the Juniors it was Bonnie Sjut and Gordon Widholm, and for the Great Seniors it was Peggy Hemmer and Randy Melcher.

Chosen as the New Homecoming Queen of H.H.S. was Barb Krings. She is the daughter of Mr. and Mrs. Felix Krings.

Chosen as the New Homecoming King of H.H.S. was Greg Brandt. He is the son of Mr. and Mrs. John Brandt.

The Homecoming cake was baked by Mrs. Earl Wegner. The music for the dance was provided by records brought by all the students.

It was a night many will not forget.

CHRISTMAS PROGRAM

The Wonderful World of Christmas was the theme for Mrs. Colhouer's annual Grade School program. An array of Christmas Trees and presents, Mouseketeers, angels, cowboys, and Santa's helpers filled the gym. The Grade School always puts on an enjoyable program and there was no exception.

The program opened with the Mouseketeers inviting everyone to come and join their world. And what a world it was.

Highlighting the program was a picture of Mary and the baby Jesus projected on the wall, while the mass choir sang "Silent Night" in total darkness. The High School Swing Choir also performed. The accompanist was Sharie Orth and the narrator was Susan Lloyd.

SPRING MUSICAL

The Spring Musical proved to be a grand finale to a very successful year. The theme was "Sing a Rainbow" and that they did. Girls Glee opened with "Sing a Rainbow" and "Amen So Be It", followed by Sextette which sang "Fly Away." The Girls Ensemble sang next, "Give Yourself a Friend". Then came the Girls Octette with "Old Irish Blessing. Mixed Chorus followed with "I Believe", "Who Can I Turn To", and "The World Is Yours". Then Girls Triple Trio sang "Rainy Days and Mondays" and "Cannon of Praise." A change of pace was the Junior High which sang "Key to Nobody Home", "Gift of Song", and "Thank You Very Much". Girls Duet followed with "MY Beloved". Then showing that they were moving up in the music world, the Singing Choir made the program and the school year with their final performance singing, "Ticket To Ride", "My Sweet Lady", "Corner of the Sky", and "Love is the Answer".

HEARTS 1976 I'D LOVE YOU TO WANT ME

Well, that fantastic day came last Saturday, February 14th, when H.S. held their Hearts dance. Of course, it occurred on Valentine's Day, since the year was 1976.

Peg Club worked hard Friday night to decorate the gym. The plans for the decorations were under the direction of the sophomore girls. Streamers decorated both the south and east walls. A large stuffed walkway stood in the middle of the gym. A beautiful cake was baked by Mrs. Cletus Wildhalm and stood at the east end of the gym.

At eight-thirty everyone piled into the gym to await the crowning of the royalty. Finally after a delay (as usual), the attendants were announced. Freshman attendants were Mary Jo Kona and Duane Krings. Sophomore attendants were Barb Schmidt and Jerry Kyncl. Junior attendants were Bonnie Hemmer and Daryl Hoefelman. Senior attendants were Vicki Baumgart and Randy Melcher.

Chosen as Queen of Hearts was Peggy Hemmer, daughter of Mr. and Mrs. Wilfred Hemmer.

Chosen as King of Hearts was Dean Kona, son of Mr. and Mrs. Duane Kona.

After the crowning the cake and punch were served. Following the refreshments came the dance. The royalty danced first to the theme song "I'd Love you To Want Me."

The band Taurus, furnished the music for an open dance which was held from 9:00-12:00 or a little after.

It was an unforgettable night.

As you can see by the pictures the band was really great. People did all kinds of dances. Such things as the Bump, Hustle, and just plain boogie.

Now look at that beautiful cake, didn't it look yummy? By the end of the night there wasn't any left to eat the next day while they cleaned up the mess.

Saturday, May 8th, was the day of the Junior-Senior Prom 1976, held at the Holiday Inn in Columbus. To start out the exciting evening, John Lloyd gave the Address and Welcome. The Seniors' response was given by Dean Korus. After a delicious meal, came finally, the imaginative Senior Prophecy, read by Bonnie Hermer and the Class Will, read by Alice Krings. The surprise for the evening was the Juniors presentation "Baby Face", with pictures of the Seniors when they were younger. The entertainment for the evening was provided by Mike Rivers, a disc jockey from W.O.W., who played everyone's favorite records. This memorable and fun-filled evening will be remembered by all, especially the seniors. It will be looked back on and said, "Those were the days."

A season with bright hopes, new faces, and the thought of the first varsity victory were in the minds of the young Bulldogs, as they entered the gym in late August. Bright hopes soon dimmed as the varsity fell short in several attempts, however they upset the conference champs.

The promise of a future came in very bright as our Freshman were able to force two class "C" teams into three sets. Congratulations to the Volleyball players and Good Luck in the future.

Mr. Deger & Greg

Greg Brandt prove to be a super leader in 1975 as he lead the Humphrey High School runners to a Fourth place finish in Districts. In competition their second season. They were able to gain several newcomers to the Cross Country Team.

Greg was able to compile five first places and two very disappointing seconds, however through his determination and support three Freshman, one Sophomore and one Junior were introduced to Cross Country and will be a Cross Country force next year.

The team members were: Senior, Greg Brandt, Junior, John Lloyd, Sophomore, Rodney Widholm, Freshmans were Tim Krings, Wayne Lewis, And Andy Paprocki.

The coach for this sport, for this great team, and this great year was no other then Mr. Stephen Deger, Besides being the coach, he was also the fan club for this team.

FOOTBALL '75

Football is one up and coming sport the team finished the season with a 6-4 record and was highly dominated by Sophomores and Juniors. They were led by all conference Senior, Randy Melcher and by all Conference honorable mention Senior Micky Bender.

With great Senior leadership and talented Juniors and Sophomores, to add great depth, they were able to complete the first winning season in three years. Congratulations to all the guys on the team!

A special congratulations goes to Matt Brandt, he was honored by being named to all Conference and all Conference honorable mention teams both as a back and a lineman.

COACHES:

The 1975-76 basketball season was filled with many exciting moments for the Humphrey Bulldog fans.

Our record, six wins and twelve losses, was very misleading. Many of our games were lost in the closing minutes of the game which exemplified our exciting brand of basketball.

Starters for the Bulldogs this season were: Seniors Greg Brandl and Micky Bender, Junior Matt Brandl, and sophomores Jerry Kyncl and Robb Alderson. Matt Brandl led the team in scoring and rebounding throughout the year and was justly rewarded by being named to the first team of the Sandhills Gateway Conference. Sophomore Jerry Kyncl received honorable mention.

There were many memorable moments throughout the year. There were, however, three games that highlighted our season. On December 18th we played our arch rivals, Lindsay Holy Family. The Humphrey Bulldogs came out on top of the hard fought game 58-53. On December 26th, we romped past our cross-town rival, Humphrey St. Francis, 59-41 in their Holiday Tournament. Finally, on February 13th, we defeated Bartlett, the Sandhills Gateway Conference Champions, 53-48. The one game we would all like to forget was the disheartening loss to Greeley 44-40, in the first round of the District tournaments.

We are extremely proud of our Bulldog basketball team. They will always be winners in our hearts.

BOWLING

Bowling has been and probably always will be a great sport to have fun with others. It doesn't take much skill to get the ball down the alley, but to get it where you get a good score, it does. The bowling teams each had their own style and good times to remember. Overall everyone learned a little more about bowling, whether it was about strikes, spares, splits, or those nagging gutters. Thanks to Mr. and Mrs. Lee Stanger, the bowling league for High School students was a fun way to spend a Friday night in March, April and May. The teams finished both high and low in the standings. Congratulations to the Alley Streakers, who won the league in 1976. Hopefully all will look back and remember those days of bowling.

GIRLS TRACK 1976

1976 was a good year for girls track. They were able to break school records in the 800, 440 relay, 880 relay, mile relay, hurdles, and high jump. They place third at the district meet and third in the Sandhill Gateway Conference meet. Lola Oden qualified for the State Meet in the mile and 880, as well as being a member of the mile relay which also qualified. Other members were Bonnie Hermer, Barb Schmidt, and Debbie Rosenthal. At the State meet Lola won the both the mile and the 880 in Class D. For her efforts she won two gold medals. After a tally of points the girls finished fifth in Class D, and twelfth overall in the state. It was definitely a year to remember in girls track.

BOY'S TRACK 1976

Boys track was a sport that, throughout the year, students could not wait for it to come. Track was a Senior lead sport. With Seniors, Greg, Randy, and Charlie, Humphrey was able to score 444 5/8 points, of which Seniors scored 280 1/2 points.

Track did not, however, end with the Seniors, for Humphrey was a mighty and united team, which they displayed at Districts. At Districts, Humphrey was able to qualify eight athletes, and take home the first place trophy.

At the State Meet, Humphrey finished 4th overall in Class D. Greg took a first in the mile, and second in the two mile. Randy placed sixth in the two mile. And the big moment was when the Two Mile relay placed first.

SENIOR—Randy Melcher

SENIOR--Charlie Moser

In his last three years at Humphrey, Greg 60 of 61 races and now holds school records in the mile and two mile. He has not only dominated Humphrey High track, but has dominated other competitors as well. As a Senior, Greg set records in five of seven meets and ended his career with two firsts and a second at the state meet.

Congratulations Greg!

THE MEN WHO RUN IT ALL

Through good times and bad Mr. Deger and Mr. Kuhmeister kept the roof-on the building. Through their guidance and leadership the Seniors received their Senior privileges.

And everyone enjoyed more freedom, as well as learning. Overall they helped to make school a memorable time for us all.

It is my sincere hope that the 1975-1976 school year be remembered by students and teachers alike as one of progress and development. In particular I would hope that our senior class members will be able to recount their activities in and out of the classroom as learning successes.

With the passage of time, we will review this year's experiences differently. Some will stand out as notable efforts well worth remembering. Others will, unfortunately, be the cause of some regret. Both, however, can be marked successful, if as a result of them we have learned.

John G. Niehoff, Nebraska author, wrote his autobiography entitled ALL IS BUT A BEGINNING shortly before his death. I urge all students to make new beginnings in this philosophy. Every success and every failure is but a beginning for future endeavors. Profit from both.

Stephen C. Deger

I can be truly proud to be principal of a school where so much was accomplished in the areas of scholastics, music, art, spelling, boys and girls athletics, and some other areas.

Our students have proved that we have the best in the west. Hopefully those who excel will, by their deeds, encourage some of the less willing students to contribute more to making a fine school even better.

Although teaching grade school children seems to be an easy job, the grade school teachers could tell you it is not. They must teach the children what is wrong and right, and help them to develop good study habits. And the staff at Humphrey tried to do just that. They had the patience to teach the future adults of our world. Keep up the good work teachers, you have done a great job.

In 1975, a new member joined the Grade School staff. With her, Mrs. Schuster brought a new program to the children, an Art Department. Never before had the children been able to learn art in an isodoph manner.

There was more to being a High School teacher as the staff learned. There were classes to sponsor and teams to coach, besides the regular teaching duties. Mr. Dittler was the head football and track and assistant basketball coach, besides teaching History and P.E. Mr. Moss taught English and P.E., but he was also head basketball and assistant football and track coach, and Sophomore sponsor. Mrs. Tackett kept busy teaching Math and German, as well as being a Junior sponsor. Mr. Schuttler was the other Junior sponsor and advised the annual, as well as teaching English. Mr. Moser was head volleyball coach, Freshman sponsor, bus driver, and History and Speech teacher. Mr. McWilliams taught psychology, as well as being the counselor. Mr. Farber headed the art and shop classes that produced so many fine projects. He also drove a bus. And Mr. Jansen, well he was a Senior sponsor and the Voc. Ag. teacher, as well as F.F.A. sponsor.

His classes ranged from shorthand to accounting. Mrs. Lloyd helped out by substituting. Mr. Munger taught Science, but he also had the courage to be a Senior Sponsor. Mrs. Bruening was the seventh grade sponsor, along with teaching Home Ec. And taking the task of being Pep Club sponsor was Miss Leatherwood. She also was the Librarian for both the High School and Grade School. As you can see the teachers had to go beyond the call of duty. Thanks alot for your time and effort.

BEHIND THE SCENES

Behind the scenes there were many people who helped the school stay together as a whole. These people helped with the problems that arose and sturred the rest of the school.

Problems like: Can the Senior's go out of state for their week trip? Who knows where that book went? Hey, who is going to drive our bus to the basketball game tonight? Hey, what's burning in the kitchen? Is that our lunch for today?...

...I know I'll find that piece of paper somewhere in this mess, but where? I wonder if the kids will like the meal today? Oh, no, I just put a spoon down the garbage disposal. When will these kids learn not to break another window?

Through it all though, they tried to make the school go a little easier for everyone. Without their hard work and patience, things could have been worse. Could you have imagined eating off dirty dishes?
