Coach LaVelle talks to the team during a timeout.

The Bulldogs get ready for the kick-off.

This years football team ended with a record of 2-6. The Bulldogs won the homecoming game against Walthill and Prague. Senior Captain, Luke Ritz said "Even though our record wasn't the greatest we always came ready to play and played like a team." Jr. Captain, Derek Korth said "We had a tough season, but even though we had a bad record we always had the power to win. We never gave up, we never stopped fighting. The emotion was always there." Senior captain Blake Harper said "The season did not go the way that we hoped but we still played with our hearts." Coach LaVelle said "As a team we expected to have more dashes in the win column, but sometimes you can't always judge a season on wins and losses. Everyday at practice we had 26 players working their hearts out to become better. On Friday nights we had the same players competing to the end, so that's how I will remember the 2005 team- nothing less than WINNERS!"

Marc and Cole are preparing to block for the runner.

## Tenacious!

This year was the best season that the Lady Bulldogs have had in a long time. The Lady Bulldogs ended with an 8-12 record. The Lady Bulldogs showed everyone that they could do it. The girls had fun and showed great teamwork. They fought through some of the toughest competitors, and pulled off a few wins. The girls were capable all along, they just needed a boost of confidence. We had a lot of Seniors this year, they were a strong class. They taught the other girls, and showed them teamwork. Humphrey High is building a great program, which will get better and better. To the Seniors; we appreciated your hard work and dedication. Thanks for a great season.

I was extremely proud to be a part of it. There is no doubt that the young ladies that made up the 05-06 team will excel not only in the basketball arena, but in life as well. Stay tuned for next year and watch how the team will provide several more episodes of success."

Captain Katie Macken said, "We showed a lot of team work. We worked hard. We showed people that we can compete, that we can win, and that all it takes is to believe." Captain Kayla Jones reported that, "The team showed a lot of enthusiasm and she hopes that next year is even better for the Bulldogs." We are all proud of the Lady Bulldogs. The 2005-2006 Track Team had a really good year. The girls ended up placing in a lot of the meets that they competed at. The team worked hard at practice doing the things that needed to get done. Great Job! Special congratulations go to this year's state qualifiers. Marc McPhillips qualified in the discus, Courtney Radke in the 100M and 200M, Amanda Preister qualified in the 2 mile, and Paige Frauendorfer qualified in the high jump. The coaches commented they were pleased with the amount of hard work the team put in and how dedicated they were to the season.

# GOLF

**Josh**  
I hope the guys  
have better luck  
next year.

**Justin**  
It was fun.

The Bulldog Golf team started the season off on a warm foot with the hot weather. The team held their own in the Clarkson Duel but still fell short. Then, the team had troubles on their next couple of meets with many tough courses. But even with the troubles came good scores, with Cody placing in two of the meets. At Districts, the team started off shaky but pulled it together on the back nine. The team ended up placing 11th. As they age, they hope to become better golfers.

**Todd**  
Let's get it done  
next year.
