Todd,

To my youngest son:
What a joy you have been in my life. May your future experiences be lived to the fullest.

Love you always,
Mom

Paden,

Time has gone by so quickly. As a little boy you always had a silly grin, you were fun, passionate, and kind hearted, the same qualities you have as a young man.

We admire you, your optimistic view of everything, your sense of calm when you crawl on a bronc and your protective and generous nature with your friends. We are proud to be your family. Congratulations. God has blessed you with a peaceful spirit. You will succeed at anything you put your heart into.

Love Forever

Mom, Dad, Parker & Hannah
P.S. Sanka, are you dead? Ya man...

Keesha,

Believe it or not, you have reached a milestone in your life. You did it in spite of obstacles most never see.

We are proud of you,
Your family

Aaron,

I hope this letter expresses how very, very, proud we are of you and your outlook on life. There aren't adequate enough words to describe the loving, the sorrows, the joys, and the hardships that you cherish when watching your son grow up into a young man.

There's so much out there in life and I hope the paths you choose make you the best you can be.

Always remember each person and each day is a special gift. As you go through life, know that your family and God love you very much. Reach for the stars and live life to the fullest!!

Love,

Mom, Dad, Ron, Andrew, and Ashley

Tyler,

It seems like it was yesterday when I forgot to pick you up from kindergarten and "traumatized you for life".

Now here you are, a senior, ready to graduate and start your "adult" life. I hope you realize how much talent and potential you have and build your dreams accordingly. I also hope you realize how much your family loves you and know how proud we are of you.

Love ya!

Mom, Dad, Cody & Jade

Class of 2007 Baby Pictures

Angel,

Best of luck in all that you want to achieve in life. With your talents, all you need is determination. Your dad and I are so proud of you and we've been so lucky to have a "Special Angel" in our lives.
Love, Mom

Kayleen,

Congratulations!
We want to let you know how proud we are of you. You know what you want to do and know what hard work it will take to accomplish your goal. Our best to you.
We love you lots,
Mom & Dad

*I hope you never fear
those mountains in the
distance.*

*Never settle for the path
of least resistance.*

*Living might mean
taking chances, but
they're worth taking.*

*Loving might be a
mistake, but it's worth
making.*

*Don't let some broken
heart leave you bitter.
When you come close to
selling out, reconsider.*

*Give the heavens above
more than just a passing
glance.*

*And when you get the
choice to sit it out or
dance,*

I hope you dance.

Tony,

Congratulations!
We are very proud
of you. Best of luck
in the future.
Your Family

Tiffany,

You have had many obstacles to overcome in your young life. You have done a fantastic job. We are so proud of the way you have handled yourself and the fine person you have become. We love you very much and know you have a great future ahead of you.
Love from your Dad, Grandma & family

Derek,

We wish you the best of luck. You have been provided with the tools needed to succeed and persevere. We are proud of you and know you will do well.

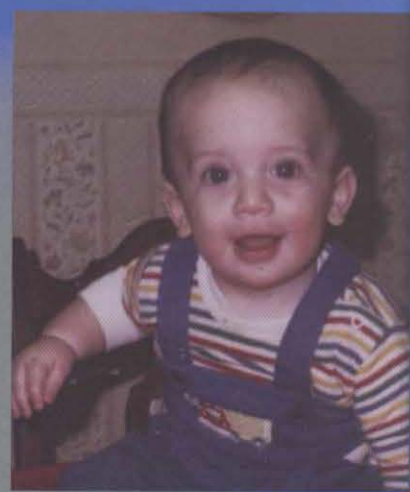

Love always,
Dad and Mom

Milton,

You are a very special son to me. I couldn't have asked for anyone better. Congratulations and good luck in the future.

Love you
Mom

Philip,

Congratulations on your graduation.

We are proud of you. Remember our love and support will always go with you.

Love,
Mom & Dad

Amanda,

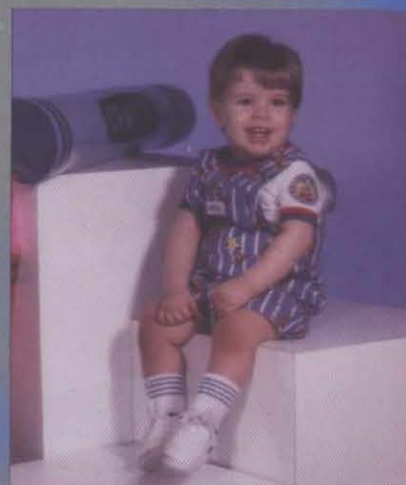

It seems as if it was only yesterday.

Congratulations

Amanda.

I love you!

Dad

Todd,

We knew you could do it! We are so proud of you. Keep working hard throughout life and you'll be successful.

We Love You!
Dad, Mom, Joey, Matt,
Krystal, and Cory

Megan,

Your year is here at last; yet, amazingly, it is only the beginning of your truly remarkable journey. Enjoy each and every moment and remember to cherish even the smallest of things.

Never doubt who you are or will become. Last, but not least, never forget the angel on your shoulder.

Love Mom and Dad

Gennene,

I remember when I took you to your first day of kindergarten. My eyes filled with tears because my baby was now a little girl.

Now, my eyes are over flowing with tears.

Gennene, once my little girl, is graduating high school.

You are a beautiful, smart and talented young lady. You have had a few mountains to climb, and whenever you fell down, you always found a way to get back up.

Congratulations on your enrollment at La James Beauty College. You have a bright future coming your way.

You are and always will be the charm in my life.

With all my Love,
Mom

Cody,

The baby of the family has become a fine young man. We're proud of your independence and achievements.

You've made your own choices, stood up for what you believe in, and refused to follow the crowd. That's the cowboy in you.

Sit high in that saddle and keep that horse moving, because the cow that just turned on you is really mean.

Love Mom and Dad

David,

Congratulations!

We are very proud of you.

Best of luck to you in the future.

Your family

Nick,

Although we may not say it enough, we are very proud of you, your accomplishments, and the work ethic you have developed. You have brought great joy into our lives and we are proud to call you our son.

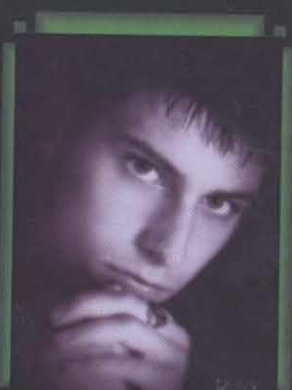

We are looking forward to seeing what you will accomplish in your adult life. We wish you the best of luck in college.

Keep your nose to the grindstone and your mind on your studies and you will go far.

Love always,
Mom and Dad

The Bulldogs football season was a tough one. With a new coach at the helm, the boys learned many new plays and improved as the season progressed. When asked about the season, Senior Captain Derek Korth said; "The team worked hard, but I wish we would have won some of our games." Captain Eric Ternus said, "We have a lot of spirit that shows in the game but sometimes we needed more."

The Bulldogs had many tough competitors but they never gave up their hopes of winning. The young members on the team showed a lot of promise and stepped up when the season got tough. The football team is not losing many team members, with only four seniors leaving. Derek, Milton, Philip, and Tyler, Humphrey High thanks you for your efforts.

Melissa Hellbusch, Captain

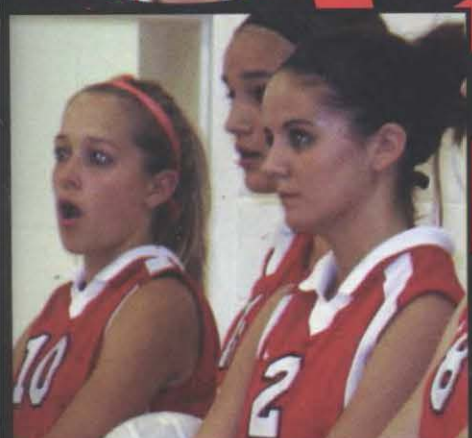

Above: The team. Left: The team huddles to get ready to play. Paige is ready to get the ball while Leann and Sara are ready to back her up. Tori waits for the ball to come down. Below: Melissa is ready for the serve.

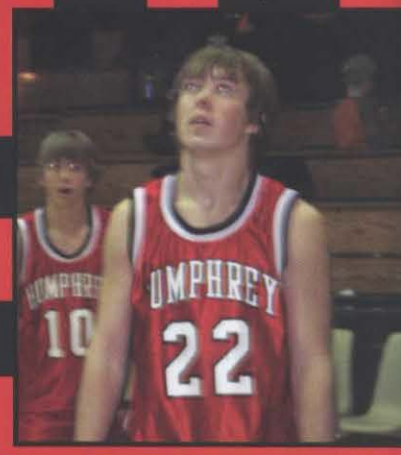

The Lady Bulldogs had an overall good season. They ended the season with a record of 9-11. Melissa said "I think the team did a really good job this year. We have improved tremendously from last year. We ended our season really well." Captain Tori Bender said, "We have improved from last year and hopefully next year we will improve even more from this year." Amanda Preister, the lone senior said, "Right Here, Right Now, was the theme for volleyball this year. Every game I felt like we went by this motto. For the first year we were and played like a family. I couldn't have picked a better group to play volleyball with my last year. I love them all." Paige said, "We had a great year. we have been improving a lot and hopefully we get even better next year." With only Amanda graduating, the team will be strong for next season. Thank you, Amanda, for your hard work and dedication to the team.

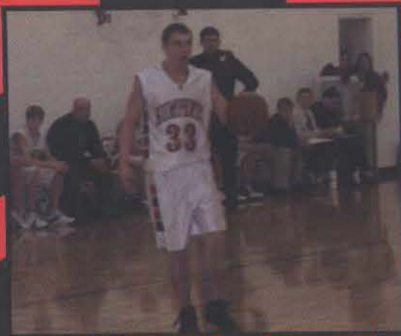

BOYS BASKETBALL

Above: Team Picture. Left: Derek is playing defense. Jared waits for the ball. Tyler shoots a free throw. Below: Dylan gets open down court. Right: Team Captains Derek Korth, Tyler Christensen, and Eric Ternus. Bottom Right: Keith waits for the ball to drop.

Coach Bender said, "This group of athletes gave new meaning to the phrase, 'Never give up.' They worked hard in every game and never gave up until the last buzzer went off. That attitude and work ethic made for some exciting and close games. I think, for the most part, we always gave our competition more than they were expecting." Even though the Bulldogs didn't end the season with a winning record, they worked well as a team and had some personal victories. The team is young, and Bulldog fans have a lot to look forward to in the future. Captain Tyler Christensen said, "We've worked really hard in practice and we took that out onto the court and never gave up." Captain Derek Korth said, "This team had a lot of talent and we used that on the court this season, but we came up short."

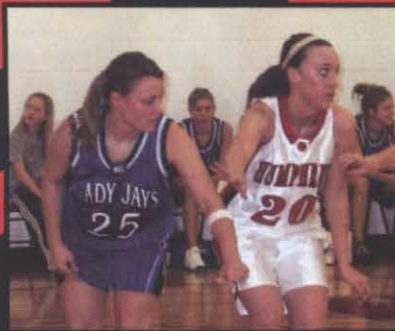

GIRLS BASKETBALL

Above: The varsity team. Left: Leann, Sara, and Terin try to block the shot. Terin and Paige are setting up the defense. The team lines up for the National Anthem. Below: Amanda dribbles the ball down the court. Right: Team Captains Melissa Hellbusch, Amanda Preister, and Paige Frauendorfer. Bottom Right: The team gets advice from coach Anderson.

Captain Melissa quotes, "I think our team has a lot of potential, and we have a lot to look forward to next year. We ended up this season with a better record than I have ever had since I've been here, and I think that gives us a little bit of momentum for the years ahead." Captain Paige Frauendorfer says, "We did very well this season, ending with a winning record; we are on the up and up. I think our positive attitude and good work ethic will play a huge role in the coming season." Senior Captain, Amanda Preister says, "Overall our record shows the hard work everyone on the team has put in the last few years. I look forward to watching the girls basketball team grow even more over the next few years."

TRACK

Above: The track team.
Left, top to bottom: Paige and Katie are running for the gold while Milton is throwing the best he could.
Below: Leann runs the relay.

Right: State qualifying girls and senior members: Amanda (SQ and senior), Hannah, Jordan, Leann, Sara, Katie, Paige, and Milton (senior).

The track team had an awesome year, with seven girls qualifying for the state track meet in five events and two boys placing at the district meet. The two relay teams placed 4th and 8th at the state meet. Paige came away with a state silver and gold in the triple jump and the long jump, respectively. Girls' coach Mrs. Frauendorfer said, "The girls performed really well. They worked hard all season, and it paid off at districts. I'm really proud of all of them." The track team is young and HHS looks forward to up and coming track stars. Three of the seven state qualifiers were freshmen. The tracksters will miss the seniors, Milton and Amanda, as they move on to college, but their leadership has helped the track team get to where they are today. There was much success this year, and many personal bests and meet bests earned by these athletes. Congratulations, tracksters, on a great season!

GOLF

Above: The golf team. Left, top to bottom: Todd lines up a putt. Cody accepts his medal. Jared tries to drive the green. Below: Justin aims for the green. Right, top to bottom: Returning members of the golf team, Todd Bachman, Justin Meyer, and Cody Christensen.

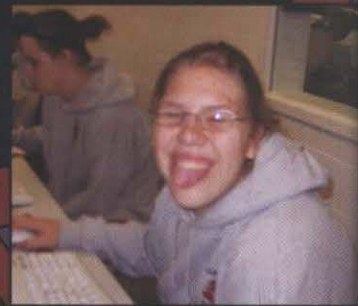

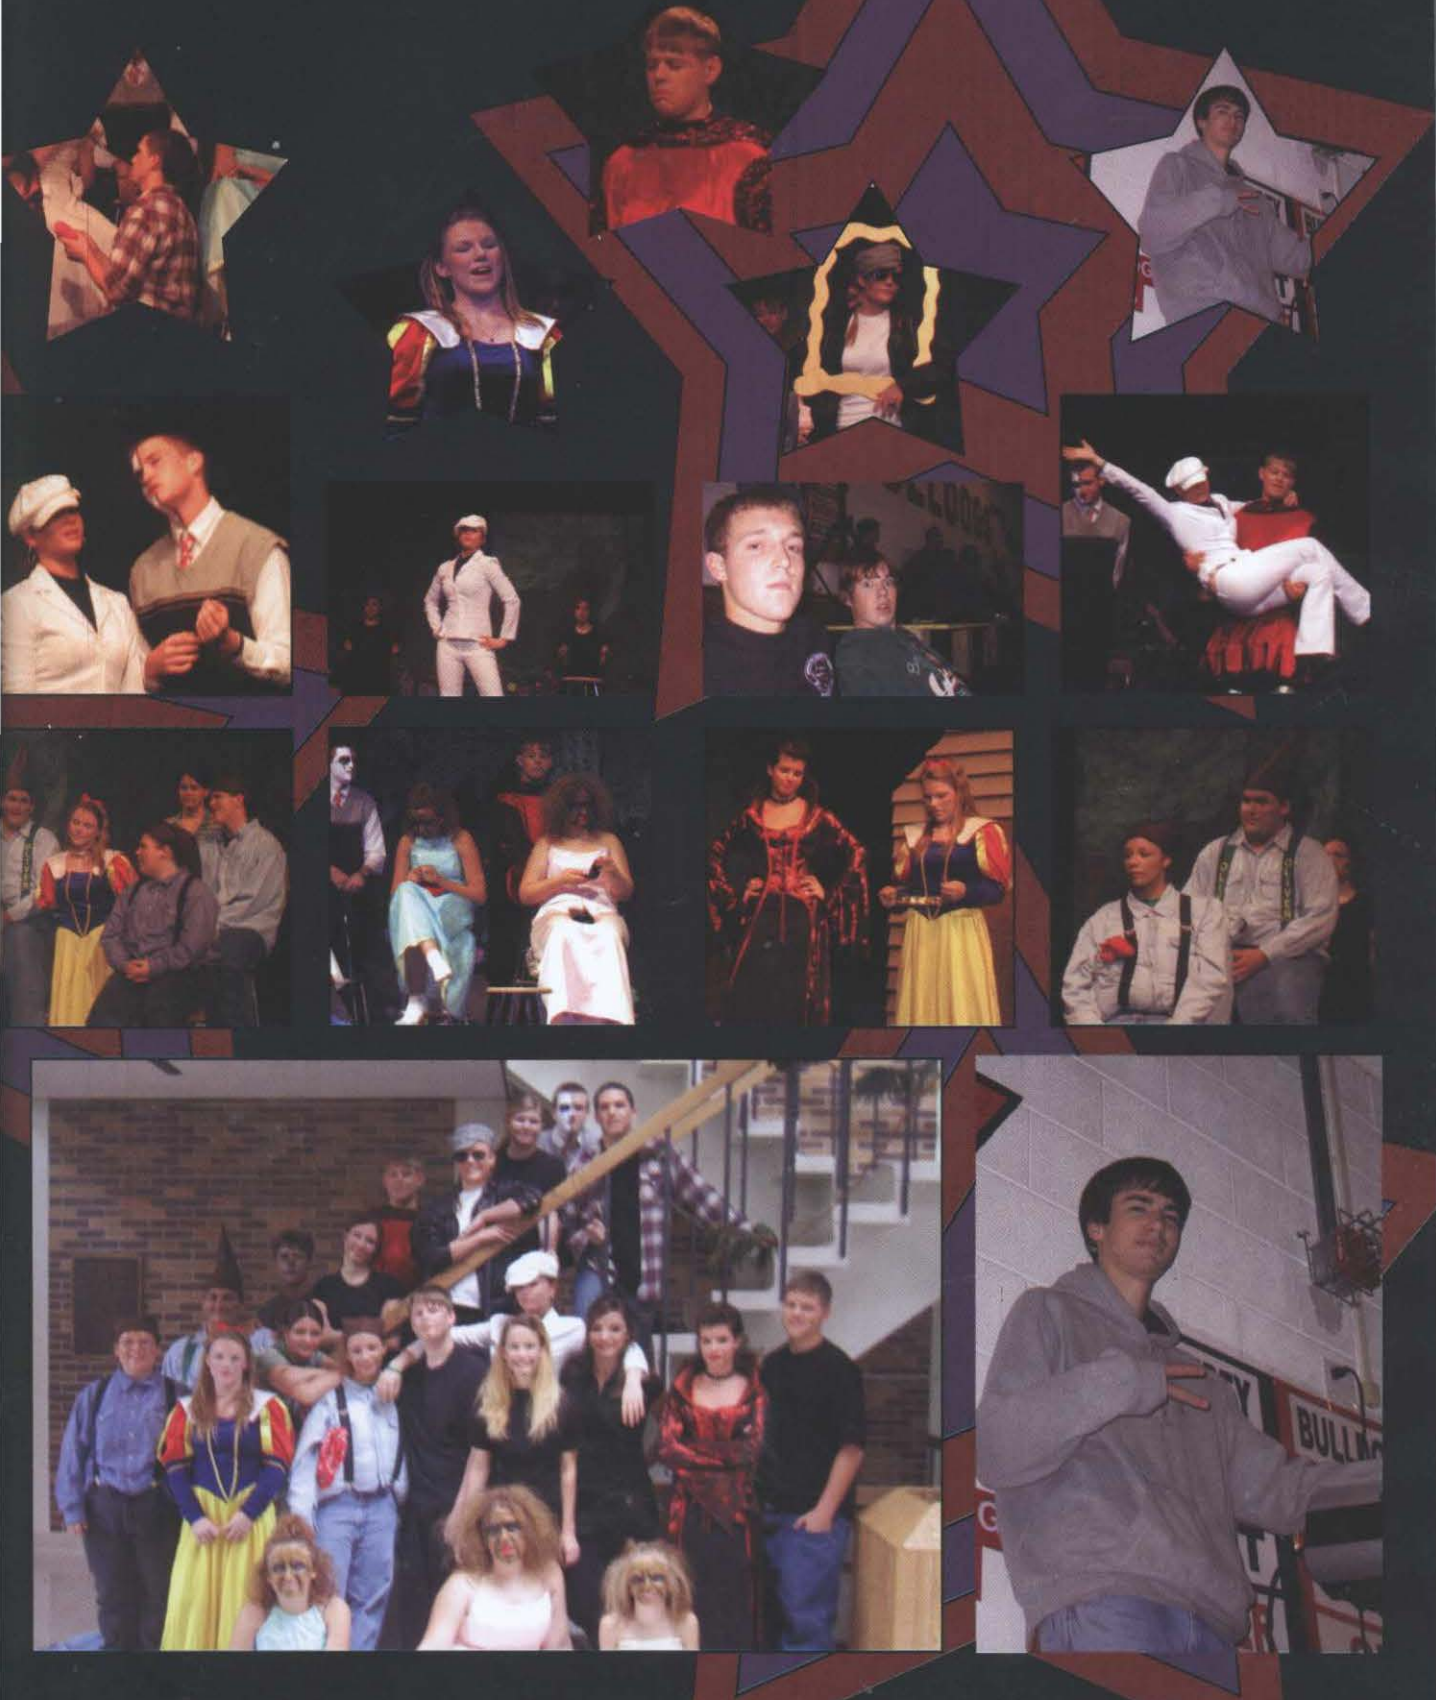

The HHS golf team had a good year. While not many medals were won, many goals were accomplished. Coach Miss Kelly said, "One of our goals this year was to win a dual, and we did that with the dual against Clarkson. We also wanted to get under 200 as a team, and we did that as well." Cody Christensen faired well on the courses this year, placing at multiple meets. Cody's highest placing was 2nd. At the district meet, the weather was chilly and damp. The team didn't score well, but they had fun and enjoyed shooting their 18 holes. Best of luck to Todd Bachman, the lone senior golf team member as he heads off to college. The golf team is young, and we look forward to the next few years and seeing their successes.
