

# Books Online

If you are running out of books at home here are some ways to get more books in the hands of your child.

## 1. *Overdrive*

**OverDrive** is a free service offered by your **library** that lets you borrow digital content (like ebooks and audiobooks) anytime, anywhere.

Go to <https://nebraska.overdrive.com/> or use the Libby or OverDrive app to access books.

You will need a library card number to use this service. Call your local public library for login information.

Humphrey Public Library: 402-923-0957

## 2. *Audible*

Audible is offering free service! Here is a message from their website: For as long as schools are closed, we're open. Starting today, kids everywhere can instantly stream an incredible collection of stories, including titles across six different languages, that will help them continue dreaming, learning, and just being kids. All stories are free to stream on your desktop, laptop, phone or tablet. Explore the collection, select a title and start listening.

Go to <https://stories.audible.com/start-listen> and start listening!

## 3. *Other options*

Many publishers are offering specials to help us through this unprecedented time. Use this link to see what's out there.

## 4. Explore YouTube and find many storybook read alouds.

\*\*\*If you are wondering if a book is AR or need reading levels or quiz numbers go to the [AR Bookfinder](#) link located on the [HPS website](#) under Elementary.

Finally, remember reading is reading, and all reading is good for you even if a book is not AR!
