According to 7 CFR 210.31(e)(2), all schools are required to complete an assessment of their school's compliance with their local school wellness policy (SWP) at least once every three years and make this assessment available to the public by posting assessment responses to your school's website. You will have the option to download a pdf of your assessment at the conclusion of the survey.

The school wellness policy (SWP) triennial assessment must be completed by June 30, 2020. Non-compliance with this requirement will result in a holding of the school's claim until this requirement is met.

The questions contained in this survey have been taken from the Alliance for a Healthier Generation's SWP assessment. Please provide your school's information and then answer each of the 10 questions below. Click "Submit" at the end of the survey to have your assessment recorded.

This survey outlines the ten required components of the SWP as defined by the USDA final rule of 2016. Districts can use this checklist with Healthier Generation's Model Wellness Policy to revise/update their SWP to ensure that it meets federal requirements. Healthier Generation's Model Wellness Policy includes model language for the required components, as well as resources to support implementation.

For each component identified below, select the rating that applies to your SWP. The rating scale is:
2 = Includes **all** required language
1 = Includes **some** of the required language
0 = Includes **none** of the required language

Please provide your school's information in the space provided below.

Hello:

The USDA issued flexibility to extend the School Wellness Policy (SWP) assessment deadline by one year. Schools may accept the new deadline and complete their first assessment by June 30, 2021.

What if my school already submitted a response to the SWP assessment survey sent on March 11, 2020? If your assessment is complete, your school has fulfilled the triennial assessment requirement and will **not** be asked to complete it again by the June 30, 2021 deadline.

What if my school has not submitted a response to the SWP assessment survey? Submit it anytime between now and June 30, 2021. You can access the assessment survey [here](#).

What if I don't remember if our school submitted the SWP assessment? The list of schools that have submitted the SWP assessment can be found [here](#).

How will my completion of the assessment affect future submission deadlines for the second triennial SWP assessment? If your school submitted the SWP assessment by June 30, 2020, the second triennial assessment deadline will be June 30, 2023. If your school submits the SWP assessment after June 30, 2020 and by June 30, 2021, the second triennial assessment deadline is June 30, 2024.

Please reach out to the NDE Office of Nutrition Services if you have questions or concerns.

Best regards,
Kayte
